

T-Light Pendant

MODEL # 10614, 10615, 10616

The linear T-Light features parallel pieces of extruded aluminum that hang from two stems and sandwich a 3/4" thick piece of etched, water-white glass, forming an upside down "T". Two strips of LED's at 2700K, 3000K or 3500K, provide functional up and down light, and are wired as dual circuits, allowing each light source to be dimmed separately. Once hung, each of the two stems can be adjusted independently to level the pendant.

MATERIALS

Aluminum, Glass

FINISHES

Black Granite, Cinnamon Bronze, Coffee Bean, Gloss White, Golden Gate Orange, Gossamer Aluminum, Silver Fog.

LAMPING

LED lamps (included) offer 2700 K, 90+ CRI illumination at 120 or 277v. The 5' pendant has 56 watt lamps providing \approx 3,625 lumens. The 6' and 7' pendants have 64 watt lamps providing \approx 4,150 lumens. Dimmable using 0-10v low-voltage dimming controls and wiring. Uplight and downlight wired for use with either one or two circuits.

3000 K and 3500K are available.

Dim to Warm LEDs are available with an upcharge.
