Branch Floor Lamp

MODEL # 10722

Square tubes of hand-finished brass rotate for multidirectional illumination, which glows from behind satin white diffusers. Designed to allow for one arm to rotate 240 degrees, and the other to rotate 120 degrees, to ensure a full 360 degrees of illumination. This is truly the perfect reading lamp for living rooms, bedrooms, and (home) offices. The Branch is made-to-order by hand in Colorado. Designed by Doyle Crosby.
