Shown in Satin Nickel

Isa Sconce

MODELS #'S DA2027-16, DA2027-30

Made from the finest materials available, the purity and quality of our cast glass is unmatched. Inspired by Japanese simplicity and European elegance, the Isa blends together form with function. Gently illuminated by LEDs, and can be installed in varying configurations to create larger design installations.

NOTES

- Backplate: 16.5" or 30" H x 1.5" W
- LED Remote Driver, 100 foot max
- 0-10V LED dimming standard
- Due to the narrow profile, this fixture requires mud work.
- A 3.5" mudding plate is provided. If mudding is not an option, a larger backplate can be offered as a custom order.
- Glass is hand made by an artist and each piece will exhibit slight variations
- Contact your local Boyd rep for more information.
