2019: THE FUTURE UNFOLDS

THE FUTURE UNFOLDS

FAMILY LEGACY, FUTURE VISION

As we near our upcoming centennial in 2021, we are excited about the new horizon for our family-owned company of designers and makers. As the baton is passed from 3rd generation father to 4th generation son, a modern vision emerges which embraces our history and defines our future.

This future builds upon our legacy which is rooted in quality of design, nobility of materials, progressive engineering, and made-to-order manufacturing. The dedicated craftsmen and women based in California and Colorado use time-honored skills and techniques, turning raw plate stock and tubes into the highest quality lighting in the world. We cut, solder, fabricate, polish, antique, spray, wire and assemble fixtures trusted and embraced since our humble beginnings in 1921.

Operating for decades as a design house allowed our classic catalog to offer a variety of design voices, a diversity of aesthetics, and elaborate designs via partnerships with renowned interior designers and architects. The new Boyd utilizes these partnerships to curate collections of fixtures with cohesive designs, clean lines, and modern technology in order to offer a variety of tools to bring beautiful light to beautiful spaces. What you see on the following pages welcomes you to the new vision of Boyd.

HANDMADE IN COLORADO

Blackened Brass, and Satin Nickel

DIMENSIONS

TABLE: W $26\frac{1}{2}"$ x H $24\frac{7}{8}"$ x D $5"$

THE GHOST SERIES

DESIGNER: DOYLE CROSBY

SHOWN: ON

THE GHOST SERIES

DESIGNER: DOYLE CROSBY

In the off position, the Ghost is transparent. Turn it on and the Ghost becomes opaque. When LEDs illuminate the sides of the acrylic diffuser, light reflects up and down. For 50% uplight and 50% downlight, choose the clear acrylic. For 60% uplight and 40% downlight (shown in the Round), choose the micro-etched dot pattern.

LAMPING

LED. Tunable LEDs coming Fall 2019.

FINISHES

Satin Aluminum, Dark Bronze (shown on Round), Black Granite and Cloud (shown on Rectangle)

DIMENSIONS

Rectangle: **W** 25¹/₄" x **H** 1" x **L** 49¹/₄"

Round 36": **DIA** 36" x **H** 1"

Round 48": **DIA** 48" x **H** 1"

SHOWN: OFF

OBI SCONCE

DESIGNER: JUAN POGGI

Attached to a curved, hand-finished aluminum backplate is a cylindrical cased white glass diffuser wrapped with criss-crossing aluminum "straps".

LAMPING

LED

DIMENSIONS

W 7¹/₈" x H 20" x D 6"

FINISHES

Blackened Aluminum, Satin
Aluminum, Cloud, Dark Bronze
(shown), and Gloss White
