Solas Table Lamp

MODEL # 10518

65 hexagonal plates twist on axis and allow light to "leak" from the resultant holes in the faceted base. A three-way switch allows you to light just the shade, both the base and the shade or just the base for a twinkly night light effect.

MATERIALS

Brass

FINISHES

Antiqued Boyd Brass, Blackened Brass, Gossamer Gold, Polished Brass, Satin Brass, Polished Nickel, Satin Nickel.

LAMPING

Three-way socket switch controls lamp in the light column and shade. Illuminate a single lamp or utilize both simultaneously to maximize light output.
