LUCIA
SERIES

The Lucia Sconce's refined aesthetics and unmatched functionality create an impeccable blend of style and performance for your interior spaces. It is perfect for powder and dressing rooms, whether mounted vertically or horizontally.

Featuring:

- 270-degree manual rotation, allowing you to position the light precisely where you want it.
- 90+ CRI, 2700K or 3000K LEDs.
- Light Bar has a half-round lens, creating a 1" round profile.

The Lucia fixtures are made in Colorado and are available in custom lengths and signature architectural bronze finishes.

24"/30"/36"/42"/48"

The Lucia Sconce can be manually rotated 270 degrees so you can place the light exactly where you need it for optimal illumination.

The Lucia Art Light was engineered with precision to redefine art illumination with cutting-edge LED technology and thoughtful design.

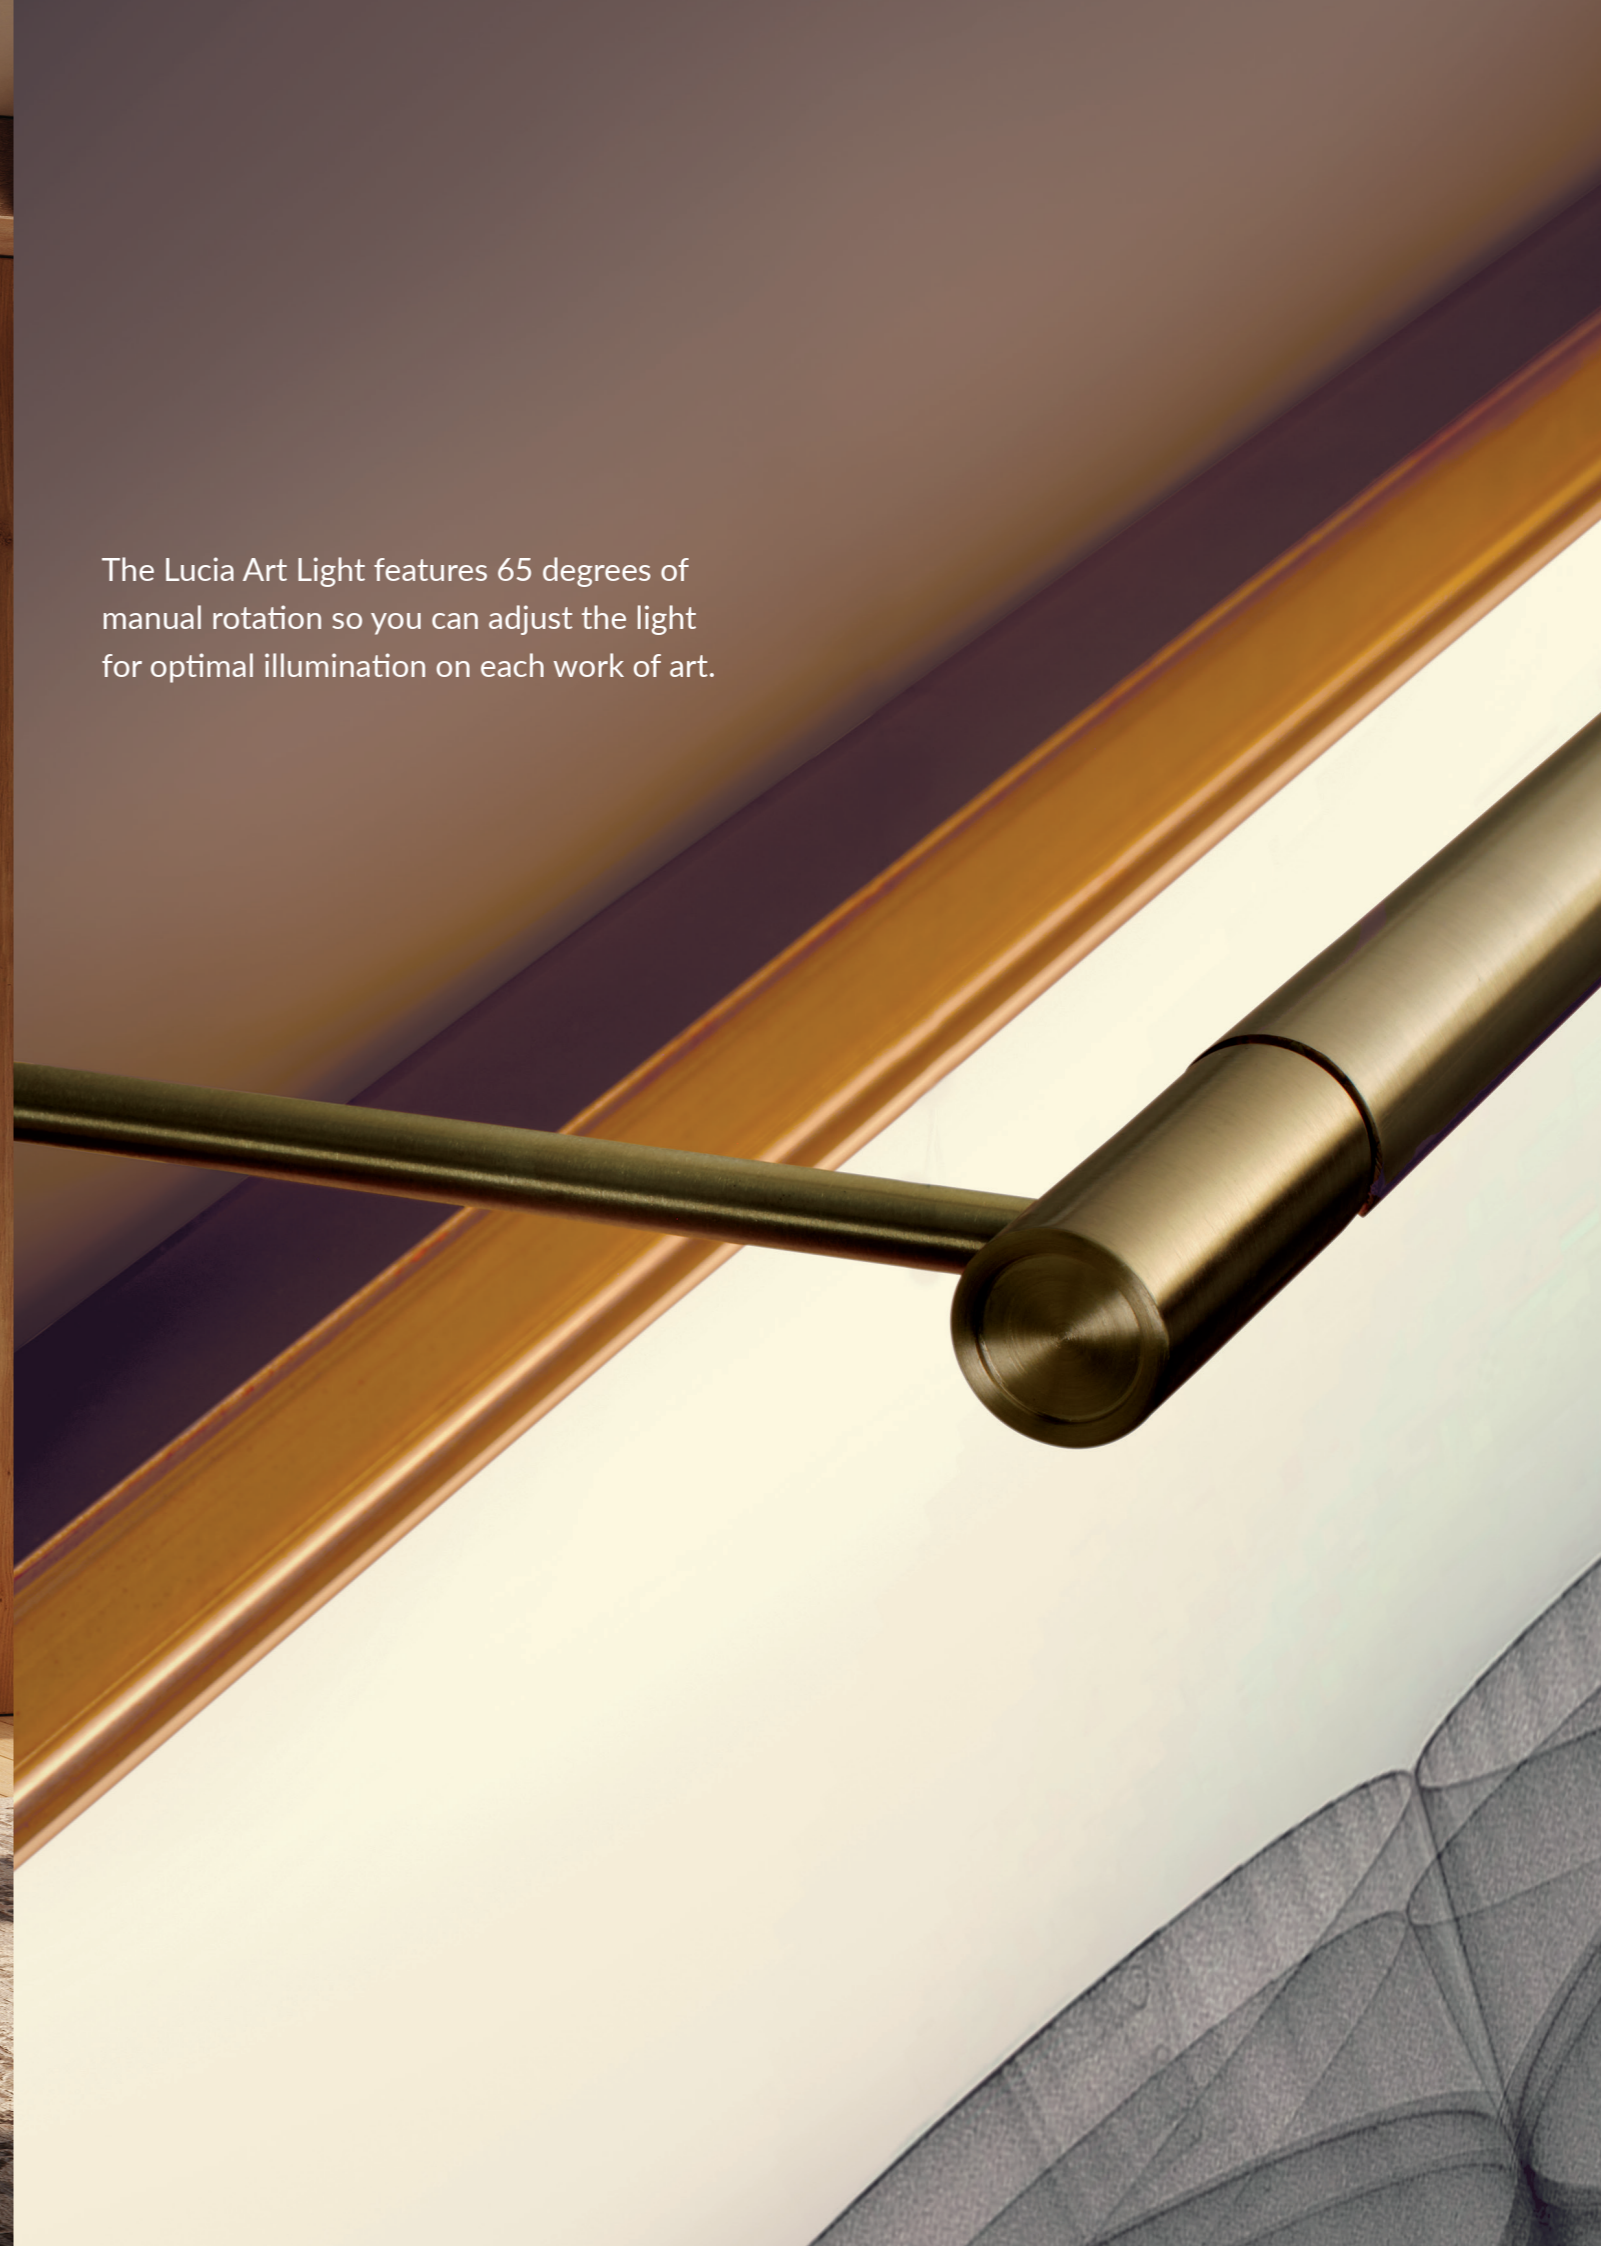

Featuring:

- Industry-leading, custom 98+ CRI, Museum Quality LEDs.
- No UV for the preservation of light-sensitive works.
- A dual-lens design casts a focused, soft light that enhances visual depth.
- The light bar's 65-degree rotation lets you direct the throw of light exactly where you want it.

Available in seven standard lengths and custom lengths upon request.

The Lucia Art Light features 65 degrees of manual rotation so you can adjust the light for optimal illumination on each work of art.
