Vale Sconce II

Shown In Antique Boyd Brass and Smoke Glass

Vale Sconce II

MODEL 10978, 10980

VALE expresses light as a continuous sculpted form, pairing precision machined brass with flowing cast glass to create a balanced interplay of clarity and movement. Available at 48" and 60" in height, the sconce creates a statement with large scale, in multiple glass finishes, and custom options, making it a versatile solution for residential, hospitality, and large-volume architectural applications.
